## **OUR BEAUTIFUL HOME**

At Lowell Litter Krewe, we strive to make volunteering as easy as possible. Each Saturday, week after week, volunteers like you come out to pour love into our home. Devotion to the beautiful City of Lowell is the driving force behind our efforts, and it shows! With our continuous efforts, we are proud to find that there is less trash to pick up each year.

In 2025, we look forward to beginning our rewilding program.

## NEW VOLUNTEERS FOR ADOPT-A-STREET

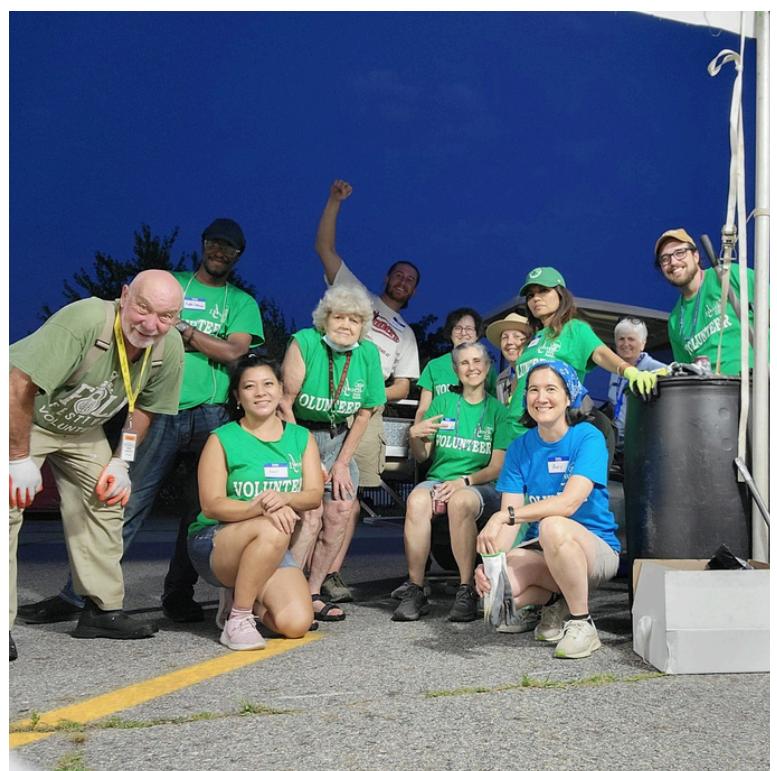

Adopt-a-Street is as easy as requesting a bucket and picker to bring to your home or office, and pledging to take care of one street, once a month. This year, our **Adopt-a-Street** increased from 33 streets to 62 streets throughout our city. Combined with the continued diligence of the Lowell Department of Public Works, our city is looking better than ever. With our active volunteers, we are hoping to double the number of streets in 2025! Will you join us?

## NEW VOLUNTEERS AT THE FANTASTIC FOLK FESTIVAL!

As we gain experience at the Lowell Folk Festival Compost and Recycling Tent, we get faster and more productive! This year was an absolute show of force as we recycled:

- **500** pounds of aluminum
- **1,250** pounds of plastic
- **400** pounds of cardboard
- **4 TONS** of compost

We recycled more than **half** of the trash that came through the Tent! We want to increase that number in 2025!

## OPERATION ROSEBUD EXPANDS WITH NEW SIGN-UPS

With the Mayor's Office and Senior Center, **Operation Rosebud** served 36 seniors in making sure they had safe access to and from their homes after the winter's storms. This winter was our biggest turnout yet for our snow-shoveling assistance program, and we are always looking for more neighbors to help out.

**WE CAN'T WAIT FOR OUR FIFTH SEASON!  
TIME TO START MOVING ON FROM TRASH... LOOKING FORWARD!**
